

ACRY GLO®

ACRY GLO® ACRYLIC URETHANE TOPCOAT FINISH

VERSATILE, PROVEN
PERFORMANCE

A proven performance coating in the aviation industry for more than 30 years, Acry Glo® Acrylic Urethane is a multi-component topcoat quick drying, and exhibits outstanding gloss and delivers gloss retention upon weathering.

Designed for quick drying stripes or for small aircraft and helicopters as an overall finish, it is available in both single-stage solid color and basecoat-clearcoat metallic finishes. In addition, its excellent buffing characteristics make it a top choice.

ACRY GLO® ACRYLIC URETHANE TOPCOAT FINISH

VERSATILE, PROVEN PERFORMANCE

Acry Glo® is a high-quality, rugged aerospace coating that offers outstanding durability and beauty with chip resistance that keeps equipment looking good, even in extremely harsh conditions.

It delivers the same quick drying, easy-to-apply outstanding gloss and gloss retention upon weathering as Acry Glo Urethane, but in a VOC-compliant version. It offers excellent DOI (distinctness of image), good buffing characteristics and is free of lead and chromate hazards.

A metallic basecoat/clearcoat version of Acry Glo and Acry Glo HS also is available and is designed for use as feature stripes over cured Sherwin-Williams Jet Glo® and/or Acry Glo basecoats. It comes in unlimited metallic colors and must be used with Acry Glo Clearcoat. Quick drying and featuring superior aesthetics, Acry Glo Urethane is available in an expansive color selection and in conventional or high solids technology with a number of color tools available to make color selection simple.

SHERWIN-WILLIAMS ACRY GLO ACRYLIC URETHANE PRODUCT BENEFITS:

- Easy application and fast dry time
- Resistant to chipping and UV exposure
- Long-lasting, high-gloss finish
- Available in solid and metallic colors
- Salt, chemical and hydraulic fluid resistant
- Available in high solids and conventional formulations
- Expansive color availability

Acry Glo is ideal for overall finish on general aviation or as a stripping system over Jet Glo or Jet Glo Express™.
