JET GLO EXPRESS™

JET GLO EXPRESS™ POLYESTER URETHANE TOPCOAT FINISH

BEAUTIFUL APPEARANCE WITH HIGH PERFORMANCE

Jet Glo Express™ Polyester Urethane is an industry-leading multi-component high solids topcoat, created for use on high performance general aviation, business jet, military and commercial aircraft.

Qualified with numerous business jet OEM qualifications, it is also qualified to the SAE AMS 3095 specification for commercial airlines. Jet Glo Express Polyester Urethane has the same outstanding high gloss appearance, durability and Skydrol® fluid resistance as conventional Jet Glo® Enamel, with the added benefits of faster drying times and good buffing characteristics.
